

PACK 405 CUB SCOUT NEWS

VOLUME 1, ISSUE 1

AUG/SEPT 2009

Exciting Things are coming this year in Scouting! 2010 is the 100th anniversary of scouting in America!

The Boy Scouts of America have planned many exciting activities for the boys to celebrate the anniversary with their fellow scouts, from a Scout Expo to Camp-o-rees and Cub-a-rees.

Welcome!

Welcome parents and scouts to a new school year and with it a new year in scouting. We are very excited about all the exciting things going on this year. We would like to thank Paul Campanile for the use of his lake house again this year for our summer cookout. Also many thanks to Brittany our Life guard at the cookout for a very professional job and well done!

Our next gathering is the Raingutter Regatta, the boys will make their boats and race them. We will have lunch. This year popcorn information will be given out at this event so you will not want to miss this. Parents if you have any popcorn questions you would like asked, please contact me and I will ask them at the popcorn district meeting.

Parents, many thanks for all your support, without you our pack would not be a success!

Volunteer Opportunities:

- We need parents to form a decorating committee , they would be responsible for decorating for our larger events, Thanksgiving, Blue and Gold Banquet, ETC.
- There is a District training event coming up for those who would like to take it, it is an hour long . Please contact me if you are interested in this, and I will get you signed up.

KRISTA JOHNSON

CUBMASTER PACK 405

Parents: Help your child with our Pack service Projects. Pop tops for Ronald McDonald House. I have quite a large collection already. Some ideas they can use, Make it a classroom project. Have them make a poster and container for you to take to work. The Robinette's in Our Webelo 1 den were very successful with this over the summer. Food for the rescue mission: ask neighbors, etc.
